REPORT OF THE COMMITTEE IN REGARD TO FILING EQUIP- MENT

Mr. Stinson, Chairman, submitted the following report of the committee heretofore appointed in regard to investigating the cost of filing equipment for the use of members of the House:

February 22, 1935.

Hon. Coke Stevenson, Speaker of the House.

Sir: Your committee, appointed pursuant to House Simple Resolution No. 34 to investigate the cost of filing equipment for the use of members of the House, beg leave to report:

That we have secured bids, and bids have been asked through the Board of Control, for thirty, five-drawer, steel filing cabinets, with individual locks, and we find that such cabinets of the cheaper grade of what is known as Art Metal, can be secured for from about \$1,050 to \$1,250, depending upon the particular make of equipment; that the first grade cabinets in the heavier steel, in dark green color, with individual locks and with the most modern roller suspensions, can be purchased for a price of from \$1,650 to \$1,850, there being some variations in the prices depending upon the particular make of cabinets, the various makes of cabinets differing in certain small particulars.

We would respectfully recommend to the House that they purchase thirty of the better grade five-drawer cabi-

nets, which will give each member one individual drawer with an individual lock.

We further recommend that these cabinets be purchased and paid for out of the contingent expense account of the House and that the said purchase be made of such cabinets as may be approved by the Committee on Contingent Expenses, and that the Chairman of said Committee be authorized to accept the bid which he considers to be the lowest and best bid, the quality of such cabinets being taken into consideration, and that same be paid for upon proper voucher or vouchers signed by the Chairman of said Contingent Expense Committee.

STINSON,
COOPER,
HANKAMER,

CONCERNING AXTELL COUNTY LINE RURAL HIGH SCHOOL

The Speaker laid before the House, for consideration at this time,

Whereas, On or about the sixth day of December, 1934, the Axtell County Line Rural High School was completely destroyed by fire, with a loss of at least \$35,000 to the district, which was not more than half covered by insurance; and

Whereas, There has been paid to the trustees of said district the sum of approximately \$900 by the insurance company which had written a policy of insurance on the textbooks located in such building, and such payment was made entirely by reason of the fact that said district carried such insurance and paid for same out of local funds, and the State Department of Education asserts no claim to said sum so derived from such policy of insurance, but agrees that the trustees of such district may use such sum for the construction and/or furnishing of a new building in said district; and

Whereas, Some question has arisen in the minds of the trustees as to their right to expend said moneys without any further legislative authority, and it is the desire of said trustees that any question as to their right to expend said sum for the benefit of the Axtell County Line Rural High School District be removed; now, therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring, That the board of trustees of said Axtell County Line Rural High School District be, and it is hereby authorized to expend said sum of money derived from the payment of the aforementioned policy of insurance, for the construction and/or equipment of a new school building in said district, and that in event such money is so expended, the members of such board shall not be liable in any manner for any misappropriation of such public moneys.

MEMORIALIZING CONGRESS IN
REGARD TO PASSAGE OF
CERTAIN BILLS

Mr. Pope, by unanimous consent, offered the following resolution:

H. C. R. No. 58, Memorializing Congress in regard to passage of certain bills.

Whereas, Senate Bill 1632 and House Bill 5379, now pending before the United States Congress, confer extensive authority and broad powers upon the Interstate Commerce Commission in the matters of the acquisition and operation of municipal and other Texas subdivision owned port facilities; and

Whereas, The exercise of said authority and powers is designed, for the obvious benefit of privately owned carriers, to largely destroy the rights of existing public entities in Texas, as well as the State to exercise that control over publicly owned Texas facilities as required in the further development and successful operation of said facilities; and

Whereas, For the reasons stated, those public entities in Texas as now own and operate port facilities are opposed to the said Senate and House bills; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the Legislature of the State of Texas hereby petition the Congress of the United States not to adopt any measure that will impose any restriction upon the existing rights of public entities of Texas in the matters of acquiring and operating port facilities; and be it further

Resolved, That the Chief Clerk of the House of Representatives, conferring with the Secretary of the Senate, are hereby directed to send certified copies of this memorial to each of the United States Senators and Congressmen from the State of Texas, one to the President of the United States, one to the Vice-Presi-

dent, and one to the Speaker of the United States House of Representatives.

POPE,
NICHOLSON,
QUINN,
CELAYA.

The resolution was read second time, and was adopted.
